INFINITI

PRODUCT BENEFITS

- Attractive and efficient with relatively low cost
- Low maintenance
- Built-in LED driver
- Easy installation
- SABS approved control gear
- SABS safety mark

PRODUCT FEATURES

- Surface/recessed mounted retail reflector system.
- Outer steel body protects super-purity aluminium reflector.
- Low Glare
- Variable output possible by setting different drive currents
- Available in DALI, EMG, additional Surge Protection
- Long Life
- Separate wiring channel for easy through wiring.
- Life L80 B10 - 50,000 Hours
- Driver F10 - 100,000 Hours
- Supply = 220-240V 50-60Hz PF>0.95
